Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Due to the property's unique characteristics, there are limited directly comparable sales available. Its most distinctive features include the character-filled converted shed residence, extensive walking and vehicle tracks, substantial shedding with an insulated studio, and established water infrastructure. This combination makes direct comparisons with conventional rural lifestyle properties difficult.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
