Reason there are fewer than three comparable properties

☒

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

We have reviewed Pricefinder, RP Data and internal records. Due to the unique characteristics and location of the property, there are currently no recent sales of sufficiently comparable properties available to provide a meaningful comparison. There has only been one recent sale in block which does not include a front garden.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
