Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

The PPS has been prepared and we have included two properties that we feel are comparable. They are both comparable in location, however Andrew Street is a superior location to Haughton Road as Haughton Road has got closer proximity to the railway line. The land size for Haughton Road is comparable to 36 Andrew however Haughton Road is in much better condition and has an additional bathroom. Seven Andrew Street was similar in condition, has one less bathroom and smaller land but, the location is superior.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
