**Important advice about the median sale price:** The median sale price is provided to comply with section 47AF (2) (b) of the Estate Agents Act 1980. The median selling price for a residential property sold in the same suburb or locality in which the property offered for sale is located has been calculated on the sale prices of 3 residential properties sold during the period specified by the section. Because of the small number of sales, the median selling price is unlikely to be meaningful statistically and should be considered accordingly.
