Reason there are fewer than three comparable properties

- ☒ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

We reasonably believe that fewer than three genuinely comparable sales for 1-bedroom apartments are available within 2km over the past six months. Most apartments sold within this period differed materially from 200/222 Bay Road in locational and complex benefits, facilities, internal apartment size and layout, orientation and outgoings. These differences mean they do not provide a sufficiently like-for-like comparison with the subject property.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
