Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

4 Chatsworth Road, Prahran, is the sole comparable due to its similar location, architectural quality and premium appeal to 25 Andrew Street. Its contemporary design, quality finishes and multiple living areas provide a useful benchmark for assessing value, while differences in size, condition and features must also be considered.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
