## Reason there are fewer than three comparable properties

☐

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

Comparable property 3: Agent note: Similar type of home but land is bigger. 3 Mulhall also has 2 bathrooms compared to 36 Manfred Avenue St Albans but 36 Manfred is also renovated in a similar pocket of St Albans. Age of home is also comparable

## Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
