Reason there are fewer than three comparable properties

X ☐

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

These three comparable sales were within the six-month period at the time of listing. While 33/28-30 Mitcham Road, Donvale has since fallen outside the six-month period, the agent considers it to remain a highly relevant comparable sale due to its similarities in location, property type and overall characteristics.
