Reason there are fewer than three comparable properties

X ☐

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

There were limited comparable sales within 2km that had sold within the past six months, with most other sales being either smaller in size or fully renovated, making them less comparable to the subject property.
