Reason there are fewer than three comparable properties

- ☒ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Due to the limited number of recent sales of properties comparable in location, land size, features and overall property characteristics within Drouin, three suitably comparable properties were not available for inclusion.

Sale outcome
