Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

Similar properties fall under a Vermont address which is considered to be a more prestigious suburb as opposed to Mitcham. Comparable properties within the suburb happen to have a larger land size than ours.
