Reason there are fewer than three comparable properties

- ☒ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

A search was undertaken for comparable sales for 65A Simmons Drive Seaholme. In assessing potential comparables, consideration was given to the number of bedrooms and bathrooms, property type, condition, construction, location, accommodation and general standard of the property. At this stage, I have been unable to identify sales within the 6 month period that I consider sufficiently comparable to the subject property. The available sales either differ materially in configuration, condition, construction, quality or overall property characteristics and, in my view, would not provide a fair or meaningful comparison.

Further comparable sales will be added as soon as suitable transactions become available. At present, there are

insufficient recent sales that adequately reflect the build, quality and overall characteristics of 65a Simmons Drive Seaholme.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
