Reason there are fewer than three comparable properties

- ☐ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

The agent has undertaken a review of available sales evidence within a 2-kilometre radius of the subject property and within the preceding six months and reasonably believes that fewer than three comparable properties were sold that satisfy the applicable comparable property criteria.

The comparable sale(s) identified above have been taken into account in determining the estimated selling price. Following consideration of the available sales evidence, no additional property was identified that was sufficiently comparable to the subject property having regard to relevant factors including standard, condition, location and date of sale. Accordingly, fewer than three comparable properties have been included on the Property Price Statement

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
