If there were fewer than three, but one or two, comparable properties, these must be included below.

These properties were used to help determine the estimated selling price.

Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

There are insufficient directly comparable sales of similar size, age, and specification within the immediate area and relevant timeframe. The subject property is a townhouse and the only similar property sold nearby is 41 CREEKVIEW WAY CRANBOURNE WEST VIC 3977 3 bed 2 bath 2 garage, 134 SQM, sold for \$600,000 in 03-Apr-26 in a neighbour suburb Cranbourne West.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
