

^*Based on land price provided at time of print. Plantation Homes does not have authority to negotiate land sale. Land is sold separately by Developer. All land enquiries to be made direct to Developer. House price is based on standard home with Essence inclusions and façade as specified, and Plantation Homes' preferred siting. Price does not include legal, stamp duty, registration fees or any other charges relevant to the acquisition of land. **Site costs do not include any costs associated with satisfying wind rating requirements (other than N1 & N2), acoustic or bushfire requirements, non-standard scaffolding or traffic control, services to the home, modification of house foundations due to excavation works and/or installation of pools by Owner, property identification survey, relaxation fee requirements, build over sewer/stormwater requirements, town planning code assessment requirements, non-standard dirt and grime prevention measures due to soil conditions, containment mesh/hoarding, generator hire, HSTP fees. Site costs are based on Level 1 Compaction Report being provided by the Developer for the nominated lot/estate & survey of land matching Developer Disclosure Plan, and waffle pod or monolithic concrete slab construction. Any non-standard slab upgrades due to engineer's site soil classifications are not included in this package. The Owner is to provide an approved standard connection point for all services to site prior to the commencement of construction. This package is based on information available from Developer Disclosure Plan only and assumes the finished house pad level will provide sufficient fall to the street for sewer and stormwater runoff. If sufficient fall cannot be achieved additional stormwater runs or importation of fill and retaining walls may be required which are not included in this package. ~Flooring offer includes timber look flooring (Wood Effects Essentials range) and Carpet (Hawks Bay) as per standard flooring design plan excluding wet areas. Excludes additional laying costs and professional cleaning. ^Excludes COLORBOND® steel roofing upgrades required to cater for site specific proximity to industrial or marine influence conditions. The floorplan shown is for the standard house design with standard façade, not the façade for this package and so will vary from actual floor plan. For dimensions and floorplan specific to the façade in this package please speak to one of our New Home Consultants. Please be aware that aspects of floorplan (including room dimensions) may change, including changes to comply with pending National Construction Code (NCC) 2022 amendments.
