Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Given the unique nature of 2/2 Tashinny Road, Toorak, there are fewer than three comparable properties. There were only 6 townhouses sold within the 6 month/2km radius parameters, having widened the search to houses as well between \$2m - \$3m these above sales are the only properties which we believe are comparable, on land and internal size as well as age and location.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
